

BY-LAW NO. 14669

**A By-law to assess real property to defray 2025 costs
for the East Hastings Street Collective Parking Project**

PREAMBLE

Council undertook and constructed a collective parking project (the “East Hastings Street Project”) as a local improvement under By-law No. 4100, and specially assessed, for the construction cost, the real property described in Schedule A to this By-law.

Under section 506A of the *Vancouver Charter*, Council may pass a by-law annually to defray certain costs and charges associated with a collective parking project, by specially assessing the real property benefited by, and specially assessed for the construction of the collective parking project.

THE COUNCIL OF THE CITY OF VANCOUVER, in public meeting, enacts as follows:

1. Council hereby imposes a special assessment upon the parcels of real property benefited by, and specially assessed for, the costs of the East Hastings Street Project, and described in Schedule A, to defray the costs of \$259,908.41 incurred by the City in connection with the project, calculated as set out in Schedule B, which apply to the period from January 1, 2025 to December 31, 2025; and hereby levies against each such parcel of real property as a special rate over and above all other rates and taxes, the individual amount, being a portion of such costs set out in Schedule A, opposite the description of each parcel.
2. Schedules A and B referred to herein, and attached to this by-law, form part of this by-law.
3. This by-law is to come into force and take effect on the date of its enactment.

ENACTED by Council this 14th day of April, 2026
