

PARK BOARD MEETING HIGHLIGHTS

— April 13, 2026 —

The following information is intended to provide a brief overview of the Board's governance work at the Committee and Board meetings. The full agenda, meeting materials, video clips and official minutes can be found on the [Park Board website](#).

STAFF REPORTS / PRESENTATIONS

Electric Commuter Ferry Service Adjacent Harbour Green Park

The Board approved the [Electric Commuter Ferry Service](#) with [amendments](#). This report endorses the concept of changes to Harbour Green Dock to enable a commercial electric foot passenger ferry service to operate at the site and supports City staff to negotiate and enter into an agreement with CRQL Ferries Inc. to deliver the services and amenities. The Board also requested negotiations for an appropriate revenue share with City Engineering to share with Park Board the revenue the city receives from the service, ideally 50% of any city proceeds.

Burrard Slopes Park – Concept Plan

The Board approved the [Burrard Slopes Park Concept Plan](#). The project's design concept includes new greenspace, 90 new trees, accessible paths, a new dog off leash area, a new skateboard/small wheels spot, expanded biodiversity plantings, and a new washroom. Detailed design for Burrard Slopes Park will begin in Q2 2026. Construction is expected in two phases, with Phase 1 construction targeted from Q4 2027 to Q2 2029 for partial opening, and Phase 2 construction from Q4 2029 to Q3 2030 to complete the park. Burrard Slopes Park will provide much needed greenspace and is designed to be inclusive and ecologically healthy.

South Vancouver Park Amenities – Concept Plan

The Board approved the [South Vancouver Park Amenities Concept Plans](#) with [amendments](#) at Moberly Park and Ross Park. At Moberly Park the approved concept plan includes a synthetic turf field, a fieldhouse, an accessible walking loop, and terraced spectator seating. At Ross Park, the approved concept plan includes a spray park, renewed playground, and new washroom building, with the provision of a future small meeting/community room to be implemented when funding becomes available situated adjacent to the washroom facilities provide a safe, enclosed, weather-protected environment to support year-round social activities. Construction of these amenities are targeted to begin in Q1 2027 and be completed in 2028, depended on favourable weather conditions for the completion of some features. The public will be notified of project progress through onsite signage, project webpage and emails to community groups and interest holders that were identified during the public engagement process.

VanPlay Implementation – 2025 Update

The Board received a presentation regarding the [2025 VanPlay Implementation Update](#), outlining the implementation updates, highlights, and key takeaways. The presentation highlighted policies approved in 2025 to support decision-making, including the Parking Policy, Golf Services Review, Comprehensive Fee-Setting Framework, and the integration of parks and recreation policies in the Vancouver Official Development Plan prepared by City of Vancouver staff. Staff continue to advance VanPlay Playbook initiatives that align with Board priorities, with the strongest focus on delivering projects and programs, and advancing policy in support of Park Board's financial sustainability.
