- 60% underway/ongoing/initiated
- 26% not started/paused/not feasible

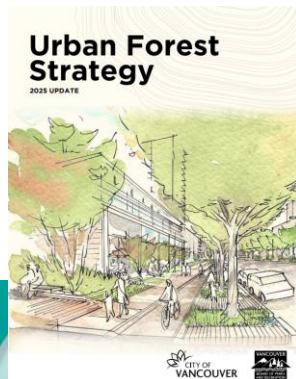

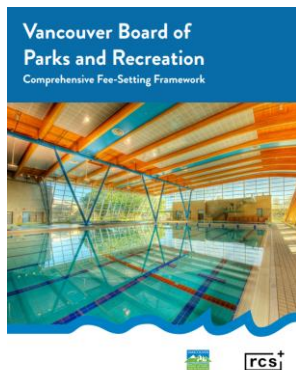

We are making progress on all chapters

2025 IMPLEMENTATION UPDATE - DATA

WHAT DID WE COMPLETE IN 2025?

Focused on overarching policy to support decision-making:

- Parking Policy
- Golf Services Review
- Comprehensive Fee Setting Framework
- Integration of parks and recreation policy in Vancouver Official Development Plan
- Urban Forestry Strategy Update

And other initiatives e.g.:

- Stanley Park Mobility Study
- Community Centre base functional program
- Numerous capital projects delivered (park renewals, playgrounds, dog off leash areas)
- Reconciliation training for staff (ongoing)

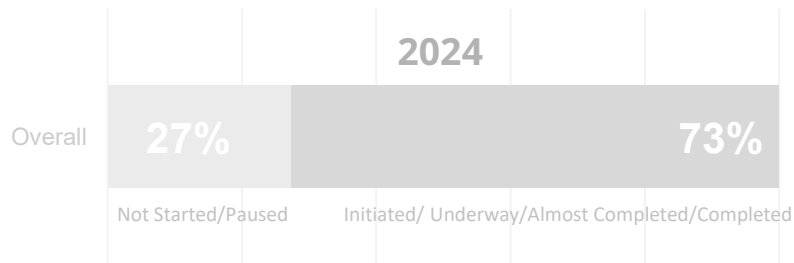

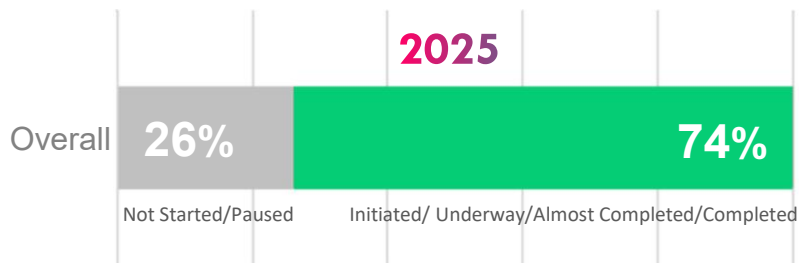

Slower progress:

- Some policy work slowed to emphasize capital delivery and revenue generation

KEY TAKEAWAYS FOR 2025

Staff continued to advance Playbook initiatives that align with Board priorities.

Strongest focus on delivering projects and programs, and

Advancing policy in support of PB's financial sustainability.

Initiatives related to Equity, Reconciliation and Environmental Stewardship are progressing more gradually.

LOOKING AHEAD

As VanPlay moves further into implementation, and given changes since 2020, there may be an opportunity to review and refresh the list of initiatives to guide strategic priorities beyond 2027.
