TO: Park Board Chair and Commissioners
FROM: Director, Business Services
SUBJECT: Burrard View Hospice – Vancouver Coastal Health – Lease Agreement Renewal

RECOMMENDATIONS

- A. THAT the Vancouver Board of Parks and Recreation (“Park Board”) authorize staff to negotiate to the satisfaction of the Park Board’s General Manager, the City of Vancouver’s (the “City”) Director of Legal Services, and the City’s Chief Purchasing Official, and enter into a lease agreement, with Vancouver Coastal Health (“VCH”) for the field house at Burrard View Park for an initial term of ten (10) years, with two additional five (5) year renewals, for a total contract term of twenty (20) years effective September 1, 2026;
- B. THAT the City’s Director of Legal Services, Chief Purchasing Official and Park Board’s General Manager be authorized to execute on behalf of the Park Board the contract contemplated by Recommendation A above.
- C. THAT no legal rights or obligations will be created by the Park Board’s adoption of Recommendations A and B above unless and until such contract is executed by the authorized signatories of the City as set out in these Recommendations.

PURPOSE AND SUMMARY

This report provides a review of the discussions and negotiations between VCH and Park Board staff related to the field house at Burrard View Park. VCH seeks securing a twenty (20) year lease to continue to operate a hospice for terminally ill adults which has been in existence since 1997 and known as the Cottage Hospice.

In exchange for the ability to provide hospice care from the site, VCH will initially invest approximately \$600,000 in much needed capital maintenance and commit to annual maintenance and repairs at a minimum of \$55,000/year for the entire building. VCH has also agreed to pay rent as well all utilities, charges and Payments in Lieu of Taxes (PILT).

BOARD AUTHORITY / PREVIOUS DECISIONS

As per the [Vancouver Charter](#), the Park Board has exclusive jurisdiction and control over all areas designated as permanent and temporary parks in the City of Vancouver, including any structures, programs and activities, fees, and improvements that occur within those parks.

There is no applicable Park Board or Council authority or previous decisions related to this report.

CONTEXT AND BACKGROUND

In 1997 the Park Board entered into a unique lease agreement with the St. James Community Service Society, now known as the Bloom Group Community Services Society (Bloom). Under contract with VCH, Bloom provided hospice care to up to ten (10) terminally ill adults in the fieldhouse at Burrard View Park known as the Cottage Hospice. With the exception of the envelope and structural components of the building, Bloom was responsible for maintaining the building and grounds, and providing the community a meeting space on the lower floor of the building.

In May 2024 Bloom ceased providing hospice care and after several months of discussions with Park Board staff, on January 15, 2025, Bloom served early notice of lease termination to the Park Board effective March 31, 2025.

As a result of public, community, Board and Council inquiries and concerns, in early 2025 VCH contacted the City and Park Board to engage in discussions whereby VCH would directly operate the hospice under lease with the City and Park Board.

Under a month-to-month licence agreement with the Park Board, VCH has been operating the hospice in Burrard View Park since April 2026. VCH in partnership with the Vancouver Hospice Society provides care for up to 10 terminally ill adults as well as grief support to families.

DISCUSSION

The Cottage Hospice has been an integral part of the community for almost 30 years, providing low-cost end-of-life care for up to 10 terminally ill residents in a supportive and home-like environment. Through the Hastings Community Centre many community groups have also benefited from the ability to access a local neighbourhood meeting room.

VCH wishes to secure a lease with the City and Park Board to continue delivering hospice care to Vancouver residents. VCH will initially invest approximately \$600,000 in much needed capital and maintenance in the building and commit to annual maintenance and repairs of a minimum of \$55,000/year for the entire building. VCH has also agreed to pay rent as well all utilities, charges and PILT.

In comparison to the previous lease with Bloom, the following table outlines key terms of the new lease agreement with VCH:

Item	Previous Lease	New Lease with VCH
Lease Term	35 years: November 1, 1997 – October 31, 2032; <i>lease was surrendered effective March 31, 2025</i>	20 years: effective September 1, 2026; initial ten (10) year term, with two five (5) year renewals for a total of 20 years
Rent Structure	\$1.00/year	\$53,640/year for the first 10 years at the non-profit rate of \$10.00/ft ² . Rent subject to market reviews at the Renewals

FINANCIAL CONSIDERATIONS

If granted a 20-year lease at the Burrard View Park field house, VCH has committed to an initial capital investment of \$600,000 in the building in the first year. They are committed to maintain the facility to the highest standard with a minimum ongoing commitment of \$55,000/year towards facility maintenance and repairs.

Except for the structural and envelope components of the building, the City and Park Board will not have any ongoing costs associated with maintaining the Burrard View Park field house.

At a rate \$10.00/ft² VCH has agreed to pay an annual rent of \$53,640/year for the first 10 years, with applicable rent reviews at the five (5) year Renewals. VCH will be responsible for all site maintenance, utility, sewer and water charges and an annual PILT of \$804.60/year which is subject to annual adjustments.

LEGAL CONSIDERATIONS

Park Board Procurement Policy requires that all contracts, renewals, extensions, and any other forms of commitments and contracts will be on terms and conditions approved by the City Solicitor.

The City's Procurement Policy (ADMIN-008) requires the Director of Legal Services to execute all contracts that have been awarded by the Bid Committee, Park Board and Council.

CONCLUSION AND NEXT STEPS

Staff recommend that the Vancouver Park Board approve and enter into a lease agreement with the Vancouver Coastal Health Authority for an initial term of ten (10) years, with two additional five (5) year renewals, for a total contract term of twenty (20) years

Should the Board approve the recommendations, a public Notice of Intent to Contract (NOITC) will be posted by the Procurement Department and a request for final approval of the lease will subsequently be sent to Council.
